**A Prayer for all Children**

**We Pray for all children**

Who put chocolate fingers everywhere  
Who stamp puddles and ruin their pants  
Who sneak cake before dinner  
Who can never find their shoes  
Who bring us sticky kisses  
Who squeeze toothpaste all over the sink  
Who slurp their soup.

**We Pray for all children**

Who have no blanket to hug  
Who go to sleep hungry  
Who have no room to clean  
Who no longer bother to cry.  
Who stare at photographers through barbed wire  
Who never play hide and seek  
Whose pictures are on no one’s shelves.
Dear families

A very warm welcome to St Mary’s students, staff and families! It has been wonderful to see you all again and to meet our new students, staff and families.

A special welcome to St Mary’s staff for 2016 who bring with them a diverse range of skills and talents. Staff appreciated the opportunity to engage in some excellent professional learning last week prior to the start of school which included training on the You Can Do It program and St Mary’s school improvement goals for 2016. The 2016 teaching staff list is included in this week’s newsletter.

A special welcome to new students and families who have joined our school community this year—we hope you settle in quickly and enjoy your time at St Mary’s.

Enrolments continue to grow this year which is a great indication that St Mary’s school has a very positive reputation in the wider community.

While we have all been enjoying our holidays, the school has been a hive of activity with a number of projects on the go including:

- Relocation and renovation of 5/6 classrooms including the installation of 2 new interactive ‘state of the art’ CommBox TVs
- Painting of high traffic areas and toilets
- Construction of our new Cavanagh Street Walkway
- Installation of new fencing on the school oval
- Installation of Key pad entry at Cavanagh Street gate
- New buddy bench designed by Mr Malcom
- Installation of garden wall near T-2 Playground
- Update of all school signage with new logo
- Launch of our new school website www.stmarysnt.catholic.edu.au

LOTE (Language program). Unfortunately we have not heard from the Greek Consulate as to whether they will continue providing funding for our Greek Language program in 2016. We are currently exploring the option of funding our own language teacher. This could mean a change of language depending on teacher availability.

Our opening School Mass will be held this Friday 12th February at 8.50am in the Cathedral. The Mass will include the launch and blessing of our new logo and the blessing and commissioning of St Mary’s student leaders for 2016. We encourage families to join us for this special welcome mass and celebration.
Parent Information Evening: Week 3 Tuesday 9th February

Class teachers will be holding information evenings for parents in their classrooms this coming Tuesday 9th February. Times as follows:

5:00pm  Transition Room 5 and T/1 Room 6
5:30pm  Year 1/2, Rooms 7 and 4
6:00pm  Year 2/3 Room 3, Year 3/4 rooms 1 and 2
6:30pm  Year 5/6 Rooms 10 and 11

It is vitally important that at least one parent attend the class information evening. This is a great opportunity for parents to meet the teacher, learn about the curriculum, behavioral expectations, homework requirements, class routines, camps and specialist programs. They are essential to establishing good relationships and communication between the school and families.

Congratulations to Abygaille Bowman – Year 6 student who was awarded the Australia Day Student citizenship award for St Mary’s school. Abygaille is a very worthy recipient who displays many great qualities including leadership, gentleness, patience, responsibility, kindness and community spirit. Her contributions to our school and the wider community are greatly valued. Abygaille received a special certificate and a medallion on Australia Day in recognition of her contributions to our community and her outstanding achievements.

Welcome Morning Tea

This Friday 5th February is our Welcome Morning tea following our 8.40am assembly. Parents are encouraged to join us for morning tea and to meet new and returning families in the Mary MacKillop Hall (younger children are welcome too).

Electronic Rolls: Electronic rolls are used to record student attendance at St Mary’s. In the event that your child is late to school, please bring your child to the front office to collect a “late slip”. Children who are late will not be admitted to class without a “late slip”. Alternatively, if you need to collect your child early from school, please ensure your child submits an “early exit” form to Julie in the front office. These will be distributed by class teachers. Your cooperation in this area will enable us to ensure the safety of all children and that our attendance records are accurate.

School Uniforms: Please ensure that your child is wearing full school uniform at all times including our school wide brimmed hats and black shoes. Caps or other styles of hats are not acceptable nor are shoes that are not completely black. Thank you in anticipation of your support in this area.
School pick up. Children waiting for parents to pick them up after school are supervised by two staff outside room 8. Children who have not been collected by 3.30pm are booked in to After School Care to ensure continued duty of care. Please ring the office if you are running late so that we can reassure your child.

Please familiarize yourselves with St Mary’s “Kiss and Go” policy and procedures which are included with this week’s newsletter. To assist with traffic flow at pick up and drop off times, we request that parents do not park in the Kiss and Go area in Lindsay street from 3-3:30pm and 8:15-8:45 each day.

Community involvement: I encourage families to be actively in the life of our school. Research shows that children whose parents are involved in school activities are more likely to achieve success and to value their education. There are many ways to get involved. I have included a tear-off slip in this newsletter that I ask you to complete and return to school.

I am very excited about the challenges and opportunities ahead this year and looking forward to working with you all this year. I encourage you all to be actively involved and to work in partnership with us as we teach, guide, care and support your child to achieve their best academically, spiritually, socially, physically and emotionally.

Congratulations to Mrs Shannon Feldman who gave birth to a beautiful baby boy —Oscar in January. We are looking forward to meeting him soon.

God bless you all and keep you safe,

Mrs Jacqui Langdon
Principal

St Mary’s School App: Don’t forget to download our app to your phone—free of charge to families.

From the Defence School Transition Aide

Hello to the St Mary’s Community - to all families - old and new!

My name is Jo Christie. I am the DSTA (Defence School Transition Aide) a position developed by the Department of Defence to support the students of Defence families in the school environment.

We have 32 Defence students at St Mary’s this year. My role is to support the new children in their transition to St Mary’s and to assist the children whose parents are deployed overseas or who are on extended exercises and courses for months or more throughout the year. I can also provide other educational assistance to families so that despite the challenges and changes Defence kids face they are given every chance to succeed.

Please say ‘hi’ if you see me around the school. I have two sons attending St Mary’s - Aidan and Jack - and a daughter who graduated from St Mary’s last year. I work Thursdays and Fridays and look forward to meeting more of you on Friday at the Welcome Morning Tea after Assembly.

I wish you all the best for a happy, safe and successful year at St Mary's.

My name is Kirsten Wilson and I just wanted to introduce myself. I am the new Assistant Director of the OSHC here at St Mary’s. The lovely Margaret has left us to finish her teaching degree and, even though I have big shoes to fill, I am hoping I can do just as great a job. We also have another new staff member here at OSHC who is here on a permanent basis and her name is Katie.

I have met some of you already and look forward to meeting the rest of you over the coming weeks.

To tell you a little bit about myself, I am a Diploma qualified educator with eight years experience in child care. I have usually worked with toddlers and but I am truly excited about working with older children!

I am an Army wife, we live on base at Larrakeyah, we have one little girl (who is starting her Transition year, here at St Mary’s), and we have recently relocated from Brisbane.

My morning shift will actually be in the Early Care Centre with Kendy and the girls then, from 1:00 pm I will be in OSHC. Please, at any time feel free to pop your head in and say hello. Similarly if there is anything you'd like to speak to me about I am here to help in any way I can.

I am so excited about the year ahead and getting to know all of you and your children.
